

**YOUR DIGITAL DATA ISN'T PROTECTED  
WHEN YOU ENTRUST IT TO A**

# **THIRD PARTY**

*Police need a warrant to get info stored on your device.  
They don't necessarily need a warrant to get your info that  
was sent to a third party—for example, a cell phone provider.*

## **PROTECT OUR DATA WITH A WARRANT**

**LET'S ENSURE THAT YOUR DATA IS PROTECTED  
EVEN WHEN IT'S BEEN SENT TO A THIRD PARTY.**

**IF THE GOVERNMENT WANTS IT, THEY  
SIMPLY NEED TO GET A WARRANT.**

### **THIS APPLIES TO:**

- *Dropbox documents*
- *Texts and emails*
- *Cell phone location*
- *Photos*
- *Calendar appointments*
- *...and much more*
